1) **Nyadi Hydropower Limited** invites sealed tenders from eligible Tenderers for the **EPC Contract for Civil Works and Hydro-mechanical Works (Lot 1) of Nyadi Hydropower Project.**

2) Nyadi Hydropower Limited was established to develop Nyadi Hydropower Project in the consortium of the Butwal Power Company and the Lamjung Electricity Development Company Limited. Nyadi Hydropower Project (NHP) is a run-off-river type project of 30 MW Capacity, located in Lamjung District of Western Development Region of Nepal. The entire project area (i.e. intake to powerhouse) is located within the Bahundanda Village Development Committee (VDC) in Lamjung District, Gandaki Zone. The financing arrangement including the debt portion required for the Project is nearly complete with The Everest Bank Limited of Nepal as lead bank of the consortium. It is intended that the part of the proceeds of these resources will be applied to eligible payments under the Contract for which the tender has been issued.

3) International Competitive Bidding (ICB) will be conducted in accordance to FIDIC Conditions of Contract for EPC/Turnkey Projects - First Edition 1999. The Works include design, engineering, procurement and construction of Civil Works and Hydro-mechanical Works of “Nyadi Hydropower Project (NHP)”.

4) Tender Evaluation will be conducted as per the criteria contained in the Tender documents and is open to all eligible national and international Construction Companies or their joint ventures.

5) The Tenderers shall have all following threshold working experiences to be eligible:

Tenderer should have within last 10 years:

i. Experience of Construction of at least 10 MW hydropower project in Hilly or Himalayan Region.

ii. Completed at least 1 work of similar nature as a sole prime contractor of amount not less than 16 Million US Dollar for Civil Works and 2.5 Million US Dollar for Hydro-mechanical Works

iii. Design of at least 20 MW hydropower project

iv. Construction of not less than 3 m diameter, 3 km long tunnel in a single contract

v. Construction of not less than 10 m high and 20 m long diversion weir

vi. Construction of powerhouse of not less than 15 MW

vii. Construction of surge shaft not less than 5 m diameter and 30 meter high.

viii. Manufacturing and Installation of various Gates of not less than 20 MW hydropower project

ix. Fabrication and laying of not less than 1.75 m diameter and 500 m long penstock

x. In case of International Tenderer, the Tenderer should have an experience of Design, execution and completion of Civil Works and Hydro-mechanical works of at least 45 MW hydropower project with underground water conveying structure in Hilly or Himalayan Region outside their home country.
Detail qualification criteria of the Tenderers are more elaborately described in the Tender Document.

6) Interested eligible Tenderers may obtain further information from Nyadi Hydropower Limited and inspect the Tender Document at the address given below during business hours.

7) A complete set of Tender Document in English may be purchased by interested Tenderers within 60 days of first day of publication of this notice on the submission of a written application to the address below and upon payment of a nonrefundable fee of NRs 50,000.00 (In words, Nepalese Rupees Fifty Thousand only) or US $ 500.00 (In words, US Dollar Five Hundred only) deposited in the Account No. 00100105201233 at Everest Bank Limited, New Baneshwor, Kathmandu Nepal or in the form of draft drawn in favor of Nyadi Hydropower Limited. The document will be handed over to the representative of the Tenderer upon production of the evidence of payment of the fee.

8) Tenders must be delivered to the address below at or before 12:00 hour local time on 12/17/2015. All Tenders must be accompanied by a Tender Security of minimum amount of NRs. 65,000,000.00 (In words, Nepalese Rupees Sixty-Five Million only) with a validity period of at least 180 days from last date of Tender submission.

9) Nyadi Hydropower Limited reserves the right to amend and correct Tender Document, Tender notice or any other documents at any time.

10) A pre-tender meeting will take place at the venue, date and time stipulated in the Tender Document.

11) Late Tenders shall be rejected. Tenders will be opened in the presence of the Tenderers’ representatives who choose to attend at the address below at 13:00 hours local time on 12/17/2015.

12) If the given date happens to be an official holiday, the next working day shall be considered as the date for Tender submission and opening.

13) Nyadi Hydropower Limited reserves the right to accept or reject, wholly or partly any or all the Tenders without assigning any reason whatsoever.
